Chris,

Please see the attachments for the product information and drawing of the softeners, neutralizer, carbon tank and a picture of the flow meter.

Let me know if you have any questions.

I am sending you a copy of each RW test and also a copy of a recommendation for each house. I need to know if I missed anything and do we need to go ahead and start scheduling installations. Let me know your thoughts.

Thanks,

CAUTION This email originates from a source outside the company. Please use caution when opening attachments, clicking on links, or following the senders request.

Good Afternoon,

Confirming your email was received. I am midway into entering all the test data and selecting equipment for the RW #s. Should receive an email with the test copies and the equipment lists either by today or tomorrow.

Thanks,
